

## OBR Call First Preference

A new Call First option has been added to the **Reserve List** section in SkyWest Online > Operations > Crewmember. Click on the underlined **Call First Preference** link to make the selection.

**Reserve List**

[Early Release Request](#) [Call First Preference](#)

Reserves available are grouped by days of availability (bucket) and by seniority, junior to senior within the bucket. Reserve type and Call First preference are also displayed.

Reserve Types:

RE1, RE2, and RE3 - 12 hour on-call reserve periods. Designated times may vary depending on domicile. Please check Reserve Codes under Crew Info for Domicile specific information.

RSV - An adjusted reserve period not covered by the standard times of RE1, RE2, or RE3. Standard callout.

RDY - Ready Reserve at Airport.

RAS - Designated Aspen Reserve (pilots only).

RDD - Begin of a reserve duty day - indicates the start of a reserve day and is used to calculate reserve non-rest and duty for legality purposes after a trip has been assigned.

**OBR Call First Preference**

This page is used to verify or change your OBR (Out of Base Reserve) CALL FIRST preference on the Reserve List.

[Redacted]

Your current setting is: OBR CALL FIRST = Yes

[Change OBR CALL FIRST to NO](#)

Selecting the call preference to "Yes" indicates to Crew Support that you would like to be called first in the event there is an OBR assignment available to you, based on seniority.
